2013 Financial and Activities Statements Arkansas / Oklahoma Chapter

Activities Statement. Due to several health problems and loss of my job, the director has not been very active this year and had to forego the Western Regional Conference due to hospitalization. I have been in contact with Rex Kamstra in his efforts to create a Google Earth layer with all Oklahoma lookouts. I hope to be able to participate in the Directors phone conference this month. As far as I have been able to determine over the past 20 years, no Lookout Towers have been staffed in the state of Arkansas since approximately 1980. I intend to find all of the former lookout tower men and woman that I can in Arkansas and Oklahoma and elicit their memories, preferably in writing for possible publication in our Lookout Network Newsletter.

Financial Statement

According to Gary Weber's books, we have \$72.00 in our account and 8 paid members in the Arkansas/Oklahoma Chapter. All photocopying and mailing of information, CDs, maps, and lookout plans has been paid for out-of-pocket as a donation to the Association. I have no expectations of requesting any Association funds for the coming year.

Respectfully submitted:

/s/ Michael A. Pfeiffer
